Belfast Sink 90mm BSW/TUSCANY/MATARO/CERAMIC DRAINER**

**Supplied by Reginox UK Ltd.**

*Reginox products carry a 10 YEAR warranty against manufacturing defects. This guarantee does not cover damages caused by improper or abnormal use, negligence, modifications, incorrect installation, accidents or other causes external to the product.*

*We recommend that you use a soft sponge or cloth and a non-abrasive cleaning product. Soap and water will generally be sufficient. On the occasion that a metal pan or cutlery marks the surface of the sink we recommend a non-abrasive cleaner to remove the mark, or a scuff removing rubber.*

*Undiluted chemicals such as bleach should not be used.*

*Basket strainers are guaranteed for one year against manufacturing defects. Again please do not use an abrasive cleaning chemical such as bleach.*

*Please contact your retailer if you have any issues regarding the purchase of your Reginox Sink. As a Ceramic sink is handcrafted the product dimensions may vary plus or minus approx 10%, this could also be caused due to the shrinkage during the firing process. Reginox always recommends that no work surfaces or cabinets are cut before measuring your sink. We would always recommend that a specialist kitchen fitter installs your sink and that your sink is properly supported.*
